Reinstatement of Legal Time Authorizations for Licenses, Permits, Registrations and Authorizations

On March 12, 2020, Governor Lawrence J. Hogan, Jr. issued an Executive Order suspending the legal time authorizations of certain State issued licenses, permits, registrations and authorizations due to the proclaimed state-of-emergency and catastrophic health emergency pandemic related to COVID-19. This Executive Order applied to all licenses, permits and registrations issued or required by the Maryland Department of State Police Licensing Division. At that time, the expiration date of each covered authorization was extended to the 30th day, after the date by which the state-of-emergency is terminated and catastrophic health emergency is rescinded. **This has been amended and is no longer valid.** The original Executive Order can be read by clicking the following link: [Licenses and Permits Extension \(March 12, 2020\)](#)

On March 9, 2021, Governor Hogan amended this Executive Order by only extending it through June 30, 2021. Therefore, all licenses, permits and registrations issued or required by the Maryland Department of State Police Licensing Division are now extended through June 30, 2021. Any license, permit or registration that has expired during the time period covered by the Executive Order, (March 12, 2020 through June 30, 2021), will require the appropriate renewal application or registration to be submitted in order to remain current after the June 30th expiration of the Executive Order. The current Executive Order can be read by clicking the following link: [Licenses and Permits Extension AMENDED \(March 9, 2021\)](#)
